

## COMPANY BIO

Stoyo is the fastest growing advertising agency in the DACH region thanks to an innovative take on data-driven creation on Facebook and Instagram.

In 2017 Stoyo created 19 out of the top 50 commercials on Facebook in Germany and lists Germany's biggest brands like Edeka, Media Markt, Bosch, T-Mobile or DHL as clients. Stoyo is expanding its operations globally this year and just opened its New York office. Stoyo's fast growth and innovative, data-driven approach to creation has led Germany's leading advertising publication, W&V, to label him "the shooting star of the marketing scene".
